**Cardinal Club Thursday, March 7th**

**7:45 AM – 9:00 AM**

**What can Patients and Family Members Expect from a Care Coordinator?**

**Pulling Together the Many Pieces of Caregiving**

Meeting needs, managing time, and uncovering resources create demands for patients and caregivers. You are invited to join this interactive dialogue focused on increasing confidence in the face of uncertainty when providing.

Our moderator, **Becky Sansbury, M.Div.**, former Hospice Chaplain will be joined by a **guest case management professional**.

***Slice of Life provides resources and dialogue when health & medical issues cause our lives to shift. The monthly meeting features insights of both a resource person and attendees, since all of us have some of the answers and none of us has all of them.***
